

Furthermore BEER

★ YEAR-ROUND

BLACK BELGIAN: BIG, DARK, AND FLUFFY

It is the subtle Belgian fruitiness that makes this beer. It lightens the mood suggested by the deep dark color. The airiness is aided by mid-level hopping for brightness and Midnight Wheat malt for a less bitter black. It is dark and rich while still being fluffy and damn drinkable.

OG: **16.9°P** ABV: **7%** IBU: **45**
